A. Course: **37:575:250:03** Finance for Personal and Professional Success

**Instructor:** Mary Evans

**Email ID:** mevans@work.rutgers.edu

**NOTE:** For Emergencies No Phone calls/ text messages...please email me or you can let me know in class. In the subject of your email, please include your name, the course and the section. Please check your Rutgers email or Sakai online in cause of any class cancellations.

**Office Hours:** Prior to class by appointment, and immediately after classes

**Pre-Requisite:** None

**Course Description:** Overview of core financial concepts and techniques useful both at work and in personal life; interest, credit, insurance, investments, present value; and net worth

**Relationship to SAS Learning Objectives:**

- **Goal x** (Apply effective and efficient mathematical or other formal processes to reason and to solve problems.) Specifically the focus is on the mathematics underlying the process of investment, and borrowing/ saving money. The student will learn to apply concepts from algebra necessary to specify and solve equations related to loans, savings, mortgage, credit and insurance using compound interest.

- **Goal w** (Formulate, evaluate, and communicate conclusions and inferences from quantitative information)

**Other Learning Objectives:**

- Familiarize students with core concepts of interest, present value, risk, diversification, and insurance,
- Improve student skills in using spreadsheets and other tools in common use for analyzing financial information, and
- Introduce students to major types of financial instruments including stocks, bonds, mutual funds, and to investments in real estate.

**Assessment of Learning Objectives:** Project assessments will be used to evaluate these objectives.

**Text - Required:** Madura, J., *Personal Finance*, Pearson-Addison/Wesley, 4e, 2011, ISBN 978-0-13-611700-1. Purchase of the CD is NOT critical to the course. The text is needed by the first week of class. I am unsure if the international version is equivalent (i.e., has the same homework, etc.) A copy, with the CD, is on reserve at the Chang Library.

Required: Statistical software in Excel 2003 (or higher) and the text CD are included in the course, which is required for homework, related cases, and team assignments. Reading assignments must be completed prior to each lecture. Communication Devices: No communication devices (cell phones, palm pilots, beepers, pagers, etc.) can be used in the classroom.

Academic Integrity: All students are responsible for locating, reading, and abiding by the University Policy on Academic Integrity for Undergraduate and Graduate Students. The policy is available on-line at http://cat.rutgers.edu/integrity/policy.html

Recommendations: Requests for recommendations must be made in writing after completion of the course.

Communication:
1. **NETID Needed**
   Rutgers uses the Sakai system. In order to use this system, you must have a NETID and PW. A NETID is an account on one of the main systems at Rutgers (Pegasus, Eden, Andromeda or RCI).
   - **If you have a NETID**, you can currently ensure that you will be able to login to the system.
   - **If you do not have a NETID**, please use the following page to attain one: http://netid.rutgers.edu/
   - **If you have any problems**, please contact your local RUCS Help Desk. You can reach them at help@nbcs.rutgers.edu or 732-445-Help

2. **Sakai**
   To facilitate class learning, please access and print course documents needed for class from the course management system known as Sakai. Course documents are posted in folders under Resources.

   **Quick Start for Sakai:**
   https://sakai.rutgers.edu/access/content/public/quickmember.html

   **Sakai website:**
   http://sakai.rutgers.edu/portal

   If you do not see this course listed, then the site in likely in the "More" dropdown box to the right of your tabs. You can rearrange the order of your sites or hide sites from previous semesters by using the Preference tool in My Workspace and clicking on the “Customize Tabs” action button.

Student E-Mail and Phone Numbers:

a. A student can forward mail from his/her Eden/Pegasus address to a preferred e-mail address. Go to http://www.eden.rutgers.edu/tools.php and click on forwarding. Enter your NetID and PW. Then fill in your preferred e-mail address.

   **Cautions:** Hotmail has problems with e-mails with attachments. Also, some corporations spam e-mails with attachments.
   - If you have any problems, please contact your local RUCS helpdesk at help@nbcs.rutgers.edu

b. Students, also, have the responsibility to then inform the professor of any changes to their phone numbers (day and evening). Please use “37:575:250:03” in the Subject section to avoid being spammed. **Please sign your full name in all e-mail correspondence.**

c. Please check your e-mail regularly, especially on the day of class, to learn if there are any changes in the class schedule, class requirements, or for other general announcements.

Study Groups: Forming study groups will facilitate learning by keeping you focused, involved, and current in the course. In this type of course, Student who have formed study groups tend to do better than students who work alone. They have a better understanding of the material, can talk it over and catch mistakes that each person makes. I highly encourage you to form your own study group.

2012_FA_37_575_250_03
Classroom Etiquette: Common courtesy is expected at all times.

Parking Impacts: Special events may impact parking.

Special Needs – Rutgers, the State University of New Jersey abides by the Americans with Disabilities Act of 1990, the Americans with Disabilities Act Amendments (ADAA) of 2008, and Sections 504 and 508 which mandate reasonable accommodations be provided for qualified students with disabilities and accessibility of online information. If you have a disability and may require some type of instructional accommodation, please contact me early in the semester so that I can provide or facilitate in providing accommodations you may need. If you have not already done so, you will need to register with the Office of Disability Services, the designated office on campus to provide services for students with disabilities. The Office of Disability Services is located in the Kreeger Learning Center, 151 College Ave, 732-932-2848. I look forward to talking with you soon to learn how I may be helpful in enhancing your academic success in this course.

Assessments: This class is hands-on and features assessment of projects and assignments, rather than a lecture course that uses exams to assess learning. Course assessment is calculated as a weighted average of the following projects.
Grading: Assessment:

Posting of Grades, [http://www.acs.rutgers.edu/grades](http://www.acs.rutgers.edu/grades)

Assessment Policy:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Scores Based on Course Components</th>

</tr>
</tbody>
</table>

Note: The thresholds for final letter grades will be re-scaled if a conventional standard seems unreasonable.

1) In class quizzes = 10%
- There will be a short 10 minute quiz given every 3 weeks in the middle of class, usually after a break.
- Quizzes will be taken from class material that has been covered.

2) Assignments and Projects = 60%
- All homework assignments are to be handed in via Sakai, using the Assignments tab. Do not put it in the Drop box, it will not be accepted and I will not look for it there.
- If the assignment is late or past the closing date, please email it directly to me. Hardcopies can be handed in but must be handed IN CLASS by the due date.
- **Penalty:** 10% for every assignment is submitted late, with a max of one week. Submissions must be complete; no partial assignments can be submitted.
- There will be various projects assigned, some of which may be group presentations, online trivia, research, etc…
- Cheating or copying from another student’s answers will result in a ZERO for both involved.
- Working or studying together does not constitute as cheating as long as all work is original and not duplicated, where assignments indicate. All names of
group members or who you worked with must be added to the assignment and a note explaining the division of work or how the task was performed.

- Uploading or downloading course answers/materials/etc… or someone else’s work from previous semesters is Plagiarism and considered cheating. Resulting in a Zero.

3) Participation and Attendance =10%

**NOTE**: Active participation is critical. This is PERSONAL finance; it involves a person being present and actively involved in the discussions.

- Cell phones, Texting, blogging, Twitter, Tumblr, Flickr, Facebook, Google+, etc… are not permitted. All devices must be turned off at the beginning of class. In case of emergency, please leave the room to make or take a call.

- A 5 minute presentation will be made each week by a group of students on a topic relating to Finance.

- Participation in exercises and discussions are highly valued.

**NOTE**: There will be many in class assignments and group exercises. Group assignments are to be done in class and handed in, with all work shown or no credit will be given (e.g. formulas used or rational explanation…In other words, what did you do to get that answer?). Group assignment answers can be the same. You must include your group member’s names on your paper or points will be taken off for the entire group.

4) Guest speaker summary and assignment= 10%

There will be approximately 5 to 7 guest speakers, throughout the semester. Your attention is crucial. You will have a chance to ask questions and network. No cell phones, laptops or texting. It is considered extremely rude.

**Note**: A summary is due for each guest speaker. It must demonstrate listening skills and what you learned from them. (e.g. what did you learn from the guest speaker that you did not know before? Who are they, what do they do? What was interesting or not? Did it help you in anyway? What might you also want to know?) It can be 2 paragraphs maximum. Summary must be handed in that same day of speaker’s appearance.

5) Personal Financial Plan= 10%

Students are expected to develop their own Personal Financial Plan throughout the semester. This will be ongoing and highly individual to each person.
## Assignments Overview

**NOTE:** All Assignments and their related documents can be found under the **Assignment Tabs in Sakai**. Assignments may be subject to change, please pay attention to the instructions given on the website. I will not accept incomplete or “mistaken” assignments.
