in Europe?**

University of Duisburg-Essen
Duisburg, Germany

Fast Facts

University of Duisburg has over 40,000 students enrolled.

Duisburg is a central site of the industrial heritage route in Western Germany.

The program offers excursions that will help to introduce multicultural history of the City.

The summer school also draws on cultural diversity of the region.

This program is entirely sponsored and conducted by the University of Duisburg-Essen.

About the University of Duisburg-Essen (UDE)

Creative inspiration between Rhine and Ruhr: The University of Duisburg-Essen is located in the European region with the highest density of institutions of higher education. Created in 2003 by the merger of the universities of Duisburg and Essen, the UDE is the youngest university in North Rhine-Westphalia and one of the ten largest universities in Germany.
