This page is the Course Syllabus page. Begin on this page. Read each section of this syllabus carefully.

**Note:** if you are new to Canvas or need a refresher, review the Canvas tutorials under [Course Tools Tutorials](#).

### Course Delivery Format

---

**This course runs from September 6 to December 23** delivered *entirely* online through the Learning Management System, Canvas. There will be no Face-to-Face, in-person classroom sessions, except for an optional virtual "meet your professor and classmates" live BigBlueButton session.

The course is delivered in **asynchronous** mode. This means the learning activities and communication takes place outside of real-time. You do not have to log in at any specific scheduled time; you log in at your convenience.

**Note:** Even though you don't need to log in at any specific time, **you are required to adhere to all course work due dates.**

While we operate in a virtual, asynchronous space, I am always here for you. If you need me, you can call, email, text, etc. We will get together and work through any issue.

## Course Description

---

Welcome!

Human Resources Management in Healthcare will introduce you to the management of staff in the nation's largest and fastest growing industry. We will begin with a primer on healthcare. We will then move to topics in the text. Lectures will both explicate and critique the text.

Human resource management in the healthcare setting shares common features with HRM in any organization. However, healthcare organizations have a unique history of approaches to HRM. Healthcare organizations are closely regulated entities. Many healthcare professions are also closely regulated. They are often subject to licensure and/or certification as a basis of entry. Healthcare provider organizations include for-profit and non-profit companies that often compete against each other. Healthcare provider organizations are often composed of organized staffs that include independent healthcare practitioners. Also, healthcare is one of the few industries that makes a significant use of volunteers.

 the advent of the Affordable Care Act the healthcare industry has seen significant consolidation as well as the growth of providers as insurance risk takers. Healthcare providers have taken on new initiatives to improve quality and reduce costs. Despite the law, American healthcare costs are the highest in the world. At the same time, American clinical outcomes place us 37th in the world (just below Costa Rica and just above Slovenia) according to the World Health Organization. An efficient and effective use of human resources is critical improving the American healthcare system's outcomes for clinical quality, patient satisfaction and cost.

The course relies on a base of psychology, management, and economics.

If you are a student in SMLR, the course will introduce you to a field where opportunities continue to grow. If you are a Bloustein student, the course will offer you a set of competencies necessary to operate in the labor-intensive world of healthcare.

# Special Needs Accommodations

---

Rutgers, the State University of New Jersey abides by the Americans with Disabilities Act of 1990, the Americans with Disabilities Act Amendments (ADAA) of 2008, and Sections 504 and 508 which mandate reasonable accommodations be provided for qualified students with disabilities and accessibility of online information. If you have a disability and may require some type of instructional and/or examination accommodation, please contact me early in the semester so that I can provide or facilitate in providing accommodations you may need. If you have not already done so, you will need to register with the [Office of Disability Services \(https://ods.rutgers.edu/\)](https://ods.rutgers.edu/), the designated office on campus to provide services and administer exams with accommodations for students with disabilities. Below is the full contact information for the Office of Disability Services:

## Course Structure & Schedules

---

This course is structured in a weekly module format. A Module is a chunk of the course content broken out usually by topic. Each Module equates to a Week. Each week starts on a **Sunday** and ends on a **Saturday**. Exceptions are the first and the last weeks of the semester.

The weekly/module activities are noted in the Modules section under the corresponding **Week # Objectives & Activities** pages. Each Objectives & Activities page includes:

- Topic introduction of the week
- Learning Materials
  - Readings
  - Multimedia (Audio, and/or Videos, Lecture recordings)
- Learning Activities - what activities you will be doing to help you learn
  - Discussion
  - Project work
  - Assignments
- Assessment - the activities that will be assessed (graded)

The course is divided into 15 Weeks as follows (link to the weekly modules):

- [Week 1 \(September 6-10\): The Current Healthcare Arena](#)

- [Week 2 \(September 11-17\): Strategic Human Resources Management: Chapter 1](#)
- [Week 3 \(September 18-24\): Employment Law, Employee Relations and Healthcare: Chapter 2](#)
- [Week 4 \(September 25-October 1\): Healthcare Professionals and Credentialing of Healthcare Providers: Chapters 3 & 4](#)
- [Week 5 \(October 2-8\) : Diversity, Inclusion and Belonging: Chapter 5](#)
- [Week 6 \(October 9-15\): Job Analysis and Job Design/Performance Management: Chapters 6 & 9](#)
- [Week 7 \(October 16-22\): Recruitment and Selection/Retention: Chapters 7 & 8](#)
- [Week 8 \(October 23-29\): Midterm Exam](#)
- [Week 9 \(October 30-November 5\): Compensation Practices, Planning and Challenges - Chapter 10](#)
- [Week 10 \(November 6-12\): Employee Benefits - Chapter 11](#)
- [Week 11 \(November 13-19\): Managing with Organized Labor - Chapter 12](#)
- [Week 12 \(November 20-30\): Workforce Planning in a Rapidly Changing Healthcare System - Chapter 13](#)
- [Week 13 \(December 1-7\): The Nursing Workforce in Healthcare Organizations - Chapter 14](#)
- [Week 14 \(December 8-14\): HRM Practices for Quality and Patient Safety/Burnout, Well-Being and Workplace Vitality: Chapters 15 and 16](#)
- [Week 15 \(December 15-18\): Final Exam, Course Wrap-Up](#)

## Grading Structure

Grading Components	% of Final Course Grade
Discussion Forum Participation	24%
Examination 1	25%
Examination 2	25%
Term Paper	26%
<b>Total</b>	<b>100%</b>

After all final grade numbers are assessed, the final letter grade will be based on a curve. The curve will approximate the grade distribution in undergraduate human resources courses in SMLR. The instructor reserves the right to grade better or worse than the undergraduate human resources grade distribution in SMLR for classes that are head and shoulders better or worse than the typical class.

## Examinations

There will be two examinations: a Mid-Term Examination and a Final Examination. Each will be composed of 50 multiple choice questions. Each exam is worth 25 points. So, each question is worth .5 point toward the course. The exam questions are derived from the text. My best advice to score well on the exams: study the text closely.

The exams are proctored by Lockdown Browser and Respondus. Prior to the Mid-Term, you will be offered a 10 question practice exam to take under proctoring. You will be able to understand the difficulty of the questions as well as the exam proctoring conditions. Please take the practice exam.

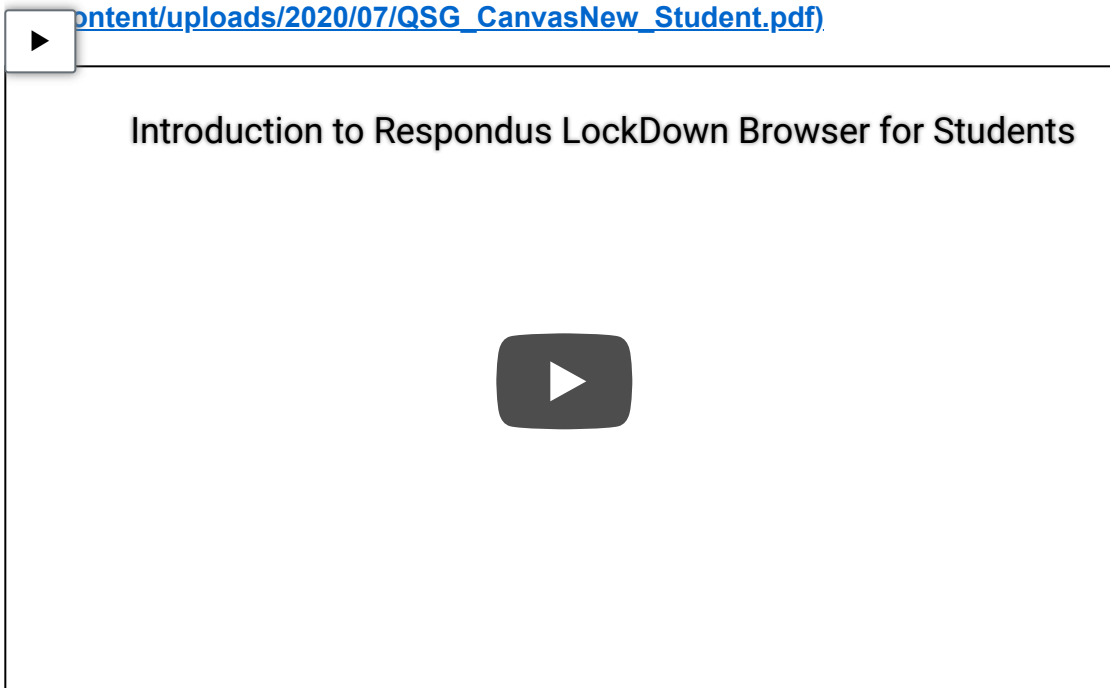

## LockDown Browser and Respondus Monitor

---

Your exam will be proctored through the proctoring tool LockDown Browser and Respondus Monitor. LockDown Browser locks your browser so you can only open the Exam browser and nothing else. The Respondus Monitor is the Webcam proctoring that accompanies LockDown Browser. In Week 6, prior to the midterm exam, you will take a practice test (non-graded) to acclimate yourself to LockDown Browser and identify/fix any technical issues. This way you will be all set to go for the midterm.

In order to complete the exam, you will need to download the tool. Follow instructions below:

- [Student Guide LockDown Browser](https://web.respondus.com/wp-content/uploads/2020/07/QSG_CanvasNew_Student.pdf) [\\_\(https://web.respondus.com/wp-content/uploads/2020/07/QSG\\_CanvasNew\\_Student.pdf\)](https://web.respondus.com/wp-content/uploads/2020/07/QSG_CanvasNew_Student.pdf)

## Term Paper

---

The course requires a term paper. The paper will be on a topic that covers both human resources and healthcare. An acceptable topic is typically derived from a slice of one of the chapters in the text. Each

student will have a unique topic. The topic must be approved. Topics must be approved by October 13. The sooner you offer a topic, the more likely you will have the topic of your choice. If you do not have an approved topic by the due date, a topic will be assigned. Please do not let this happen. Students perform better when exploring an area of personal interest rather than an assigned area.

The term paper should have a thesis that is supported by information adduced from your sources. For example, the thesis might show better ways of achieving a given end in healthcare human resources. It might show common threads in a review of different outcomes of healthcare human resources activities. Or, it might critique prevailing thought in healthcare human resources.

The term paper is expected to be roughly ten pages, double spaced in length. You should, however, use as much space as you need to develop your thesis. You may use any format you wish, but use that format consistently. Term papers will be reviewed by Turnitin for plagiarism.

Term papers are due by November 17. There will be a deduction for any lateness. The deduction will be proportional to the amount of lateness.

## Student Code of Conduct

---

You are expected to conduct yourself in a professional, responsible, courteous, and respectful manner at all times during the course. Offensive language, harassment, posting videos or other media that is not related to the course, and/or any other inappropriate behavior will not be tolerated. Your responses to discussion posts, or any other communication with your classmates and/or your instructor must be of the highest professional and respectable standard. Refer to [Discussion Post Guidelines](#) when communicating in your Canvas class.

## Academic Integrity

---

Be sure to review and abide by the [Rutgers Academic Integrity \(http://studentconduct.rutgers.edu/student-conduct-processes/academic-integrity/\)](#)

## TurnItIn Statement

---

Students (You) agree that by taking this course all required papers may be subject to submission for textual similarity review to **Turnitin.com** (via Canvas Assignments Portal) for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism of such papers. If you do not agree please contact me immediately.

## Your Responsibilities

---

Online learning requires a high level of discipline, dedication, and time management skills. While online learning offers you flexibility and convenience to learn from anyplace, anytime, *you are still expected to adhere to the all due dates.*

You are expected to:

- Have access to a reliable computer, and access to the Internet
- Log in to Canvas for your course **on a daily basis**
- Check for any announcements, update to the syllabus, assignments, and/or discussions and

 Respond accordingly

 Actively participate in the Discussion Forum

- Complete the assigned readings and/or media
- Complete the assigned exercises and projects
- Adhere to all due dates

### In case of computer failure

Make sure you have an alternative plan of access to your Canvas course in case your computer crashes (it happens). Additionally, be sure to backup your important documents and assignments on a flash drive or other external device.

## Any Broken Links/URLs

---

At SMLR, we strive to continuously improve our course design. If you come across any broken links/URLs, or pages that don't exist, please email SMLR Instructional Design & Technology Specialist, Marta Pulley, [marta.pulley@rutgers.edu \(mailto:marta.pulley@rutgers.edu\)](mailto:marta.pulley@rutgers.edu). Any suggestions you have for improving the course design is greatly appreciated.

## Where to Next?
