E. Course Delivery Format and Virtual Office Hours & Virtual Drop-In Sessions

This course runs from **September 3, 2024 through December 11, 2024**. It is delivered *entirely* online through the Learning Management System, Canvas. There will be no Face-to-Face, in-person classroom sessions, except for an optional Virtual Drop In or Office Hour Webex sessions <https://rutgers.webex.com/meet/smlawren>

The course is delivered in *asynchronous* mode. This means the learning activities and communication takes place outside of real-time. You do not have to log in at any specific scheduled time; you log in at your convenience. However, there may be times, if you are working in groups on an assignment, you would need to set up a “live” session such as via Webex.

Note: Even though you do not need to log in at any specific time, **you are required to adhere to all course work due dates.**

If you are new to Canvas, review the tutorials in Course Tools Tutorials, in the Modules section of the course’s Canvas site.

Virtual Drop-In Sessions

Wednesdays, 5:00 PM to 6 PM (Eastern Standard Time) through WebEx. If you are new to WebEx, please review the tutorials on Course Tools Tutorials.

<https://rutgers.webex.com/meet/smlawren>

For the virtual drop-in sessions, project and Excel questions, brainstorming ideas on issues at Rutgers or at your jobs or internships, etc. are welcome.

While the virtual drop-in sessions are not mandatory, I highly encourage you to attend.

Virtual Office Hour Session

I am also available for a private or group WebEx office hour sessions as needed, for example, with regard to Excel/Data Analysis.

G. Resources for Student Success: The faculty and staff at Rutgers are committed to your success. Students who are successful tend to seek out resources that enable them to excel academically, maintain their health and wellness, prepare for future careers, navigate college life and finances, and connect with the RU community. Resources that can help you succeed and connect with the Rutgers community can be found at success.rutgers.edu, and nearly all services and resources that are typically provided in-person are now available remotely.

H1. Computer/Software/Apps/Accessories Requirements:

- Access to the internet
- Microsoft Word
- Webcam (recommended)
- Headphones (highly recommended)
- Reliable computer
- Basic Computer Specifications for Canvas

Excel: Only Excel 2016+ (either PC or Mac) can be used in the class. It is free while you are a student at Rutgers. Further details are in Part S below.

H2. Technical Support

If you need technical assistance at any time during the course or to report a problem with Canvas:

- Visit the Canvas Student Tutorial in Canvas, Module A, Technical Support
- Visit the Rutgers Canvas Student orientation in Module A

Technical support for Canvas has transitioned from Teaching and Learning with Technology (TLT) to the Office of Information Technology (OIT).

Helpdesk: Rutgers Office of Information and Technology

Notes:

The Grades on Canvas are only based on submitted and graded work.

- Concerns about a graded assignment must be brought to the instructor within 7 days of receiving the grade. Assignment grades are finalized after this 7-day period.
- There are no assignment do-overs.
- Grades on Canvas will be updated regularly; if you notice any discrepancies or have questions, please do not wait until the end of the semester – please let your instructor know right away.
- Please do not ask me to round up any score(s), as I must be fair to all my students.

M. Academic Integrity: All students are responsible for locating, reading, and abiding by the University Policy on Academic Integrity for undergraduate students. The policy is available on-line at <http://nbacademicintegrity.rutgers.edu/>

N. Recommendations: Requests for a recommendation letter must be made in writing **after completion of the course**. Please be courteous and do not provide my e-mail address without my consent as I will need pertinent background information.

O. Take Home Assignments: Each project must be handed in on time in its entirety. The submission must be complete; no partial assignments can be submitted.

P. Student E-Mail and Phone Numbers:

a. Please note that it is [Rutgers IT policy](#) that you use your Rutgers.edu email for all Rutgers related course correspondence.

b. Students, also, have the responsibility to then inform the professor of any changes to their phone numbers (day and evening) from the listing in the Student Profile.

c. Please check your e-mail and the course Canvas site regularly, especially on the day of class, to learn if there are any changes in the class schedule, class requirements, or for other general announcements. Announcements will be communicated through Canvas which will trigger email notification to your Rutgers.edu email. Additionally, you may download and install the Canvas

Student App for your mobile devices so you can be notified via the app. To download/install the app refer to: [Canvas Student App iOS](#), [Canvas Student App Android](#).

Q. Study Groups: Participating in study groups will facilitate learning by keeping you focused, involved, and current in the course.

S. Excel 2016+ and Data Analysis

To determine what version of Excel you have: On Excel, select File, then Account to determine your version of Excel.

To access free Microsoft Office, including Excel while a Rutgers student, please click go to the Rutgers Software Portal:

<https://oit.rutgers.edu/university-software-portal>

Go to the link above and select the University Software Portal link. On the page that follows, select Microsoft Software for Students. You will be prompted to log in using your NetId. Then follow the instructions for downloading and installing.

Excel Work can be done at the library or the computer labs. If you do not have a help option, then your version of Excel, Excel Light, or the student version, as well as open source software and Numbers, Google Drive or Google Sheets do not have the Analysis Toolpak/Data Analysis.

Excel and Data Analysis

To access free Microsoft Office, including Excel while a Rutgers student, please click go to the Rutgers Software Portal: <https://oit.rutgers.edu/university-software-portal>

Students need to go to the link below and select the University Software Portal link. On the page that follows, they select Microsoft Software for Students. They will be prompted to log in using their NetId. Then follow the instructions for downloading and installing.

- ✓ Excel 2016 or higher must be used in the course.
- ✓ To download the Analysis ToolPak:
 - for Macs - <https://www.youtube.com/watch?v=B6OfD-nXFUk>
 - for PCs - <https://www.youtube.com/watch?v=BFksczTOxsM>

If you do not have a help option on your Excel, then your version of Excel, Excel Light, or The student version, as well as open-sourced software and Numbers, Google Drive, or Google Sheets, then you do not have the Analysis Toolpak/Data Analysis.

If you are unable to download the Analysis ToolPak, either:

1. Please contact OIT to see if the Analysis ToolPak is available on your MacBook, or is memory an issue? Their number is 833-OIT-HELP.

2. If that does not work out, contact 833-OIT-HELP about the virtual lab so that you can remotely control a Rutgers desktop in order to access Excel 2016 or higher.

T. Student-Wellness Services: UNIVERSITY SERVICES

Although some of these offices remain closed to in-person visits, all remain accessible virtually. We encourage students to continue to use these resources during this semester of remote learning.
