

Immigration Law, 37:575:321:90, Asynchronous Online

Instructor: Prof. Akhila Naik

Contact Method: Email using Canvas Inbox feature

Course Overview

Welcome to Immigration Law! In this course, we investigate a variety of topics related to important concepts involving Immigration Law. Throughout the semester, you will have the opportunity to study material on contemporary topics and perspectives related to:

- Understanding Immigration Law in the US
- History of U.S. Immigration
- U.S. Citizenship Status
- Lawful Permanent Resident Status
- Non-Immigrant Status
- Undocumented Immigrants
- Deportation and Removal
- Employment Eligibility Verification
- Labor Laws & Employment Discrimination Laws & Immigrant Workers
- Economic Impact of Immigration

Course Materials

- Required textbook: Immigration Law and Procedure in a Nutshell 8th Edition. David Weissbrodt | Laura Danielson | Howard S. Myers. ISBN: 9781684676101
- Additional required readings are noted in the respective modules (weeks) under Reading & Multi-Media.

Method of Instruction

This course is delivered entirely online through the Learning Management System, **Canvas** in an **asynchronous mode**. There will be no Face-to-Face classroom sessions. The course is structured by weekly modules. Some weeks have assignments, discussions, quizzes, projects etc. Each week is typically comprised of:

- Introduction of the topic for that week
- Readings (Textbook, Professor's notes, PDFs, links to website articles etc.)
- Multimedia (videos, podcasts etc.)

Virtual Office Hours (VOH)

Optional virtual office hours (synchronous, live through the Canvas Conferences feature / Zoom) will be held numerous times through the semester (during lunchtime/ evenings). Dates and details will be provided as the semester progresses.

Student Responsibilities

Online learning requires a high level of discipline, dedication, and time management skills. While online learning offers you flexibility and convenience to learn from any place, anytime, you are still expected to adhere to all due dates

Policy on Generative AI: Strictly Prohibited : The core learning outcomes of this course rely on developing your independent critical thinking, analytical writing, and problem-solving skills. As such, the use of Generative AI tools (e.g., ChatGPT, Claude, Grammarly Go, or similar text/code generators) is strictly prohibited for all coursework. All work submitted in this class—including process artifacts, outlines, drafts, and final submissions—must be generated entirely by you. **Representing AI-generated text, ideas, or structures as your own original work violates university academic integrity policies and will result in a zero on the assignment and a report to the Academic Integrity.**
