**Course Policies**
The course begins the 1st day of the semester. This is an asynchronous course. The course week begins on WEDNESDAYS.

**Message Checking Policies**

**Messages Sent to Instructor’s Canvas Inbox**

Unless students receive advance notification, the instructor will check her Canvas Inbox by 10:00 am ET on regular workdays. (This excludes Sundays and Spring Break.) If a student sends a comment or question, the instructor will address the contents of the message within 24 hours.

**Messages Sent to Student Canvas Inbox**

It is the responsibility of the student to regularly check for incoming course messages. Messages are always sent through the Canvas messaging system. Students will receive a notification when a new message has been sent to his/her Canvas inbox. Forgetting or being unable to check for messages in one’s Canvas inbox is not an excuse.

**Weekly Message on Wednesday**

A weekly message will be uploaded into the announcements area of the course Wednesday mornings. Reviewing the weekly message is a required activity. Weekly Messages present timely information on course activities/assignments and content.

**Taking Quizzes and Forum Engagement**

Weekly Test Yourself quizzes are open all week: Wednesday – Tuesday 11:59 pm.

Major quizzes may be taken anytime between the open and close day and time. These major quizzes must be completed by 11:59 pm on the close date. Once a student logs into the exam area, the quiz must be completed in one sitting.

All students are responsible for offering 3 comments in forum discussions. With the exception of week 1, a 1st comment deadline is set for Saturdays, 11:59 pm the week forums are held. When a student does not participate fully or at all by 11:59 pm on the day the commenting period closes, points cannot be made up.

**Late Submission Policy – Portfolio and Writing Assignments**

Portfolio and Writing Assignments can be submitted up until 11:59 pm on the stated due date with no penalty. Late Portfolio components (1 - 3) and writing assignments will be accepted up to 48 hours late from the due date and time for a deduction of 10% of the points attributed to the assignment. (This is a deduction of one letter grade.)

---

*Things happen.* When you don’t have to attend a class session in person, it’s easy to let a situation in your personal or professional life get in the way of online course work. In addition, remember the first rule in computer use: the computer or Internet connection will act up at the most critical time. Because “things happen” it’s a best practice not to wait until the last minute to take the quizzes, submit a Forum comment, or upload a Portfolio or writing assignment.

**Grading**
Each assignment is worth a certain number of points as identified in the assignments section of the syllabus. Highest number of points a student can earn is 1,000. Points accumulate to determine final percentage grade (percent of 1,000 points.) Information concerning use of one’s gradebook and assignment rubrics for each assignment is available in the course shell.

**Recognize Best Practices and Use Them to Achieve Success**

Students are offered specific directions on how to complete each assignment within the course. In addition, specific grading rubrics are published so that students understand how each assignment will be graded. It is expected that students will be attentive to directions and the grading criteria for assignments. *Paying attention is in the student’s best interest.*

It is the student’s responsibility to review best practices/grading rubrics and ask questions prior to submitting an assignment or engaging in forum work.
