Diversity in the Workplace
In this class we will examine human behavior and social culture of diversity in the workplace. Students will analyze the framework of diversity, human difference and conflict. The course will focus on structural explanations for inequality in the labor market, benefits of inclusion and a value added workforce.

Student learning will be assessed primarily by an objective exam covering readings, lectures, speakers, and group exercises.

Grading Criteria:
- 10 points Project Implicit Bias Tests (Skin-Tone, Gender, Religion)
- 10 points Four Case Studies (Complete and bring to class for discussion)
- 40 points Mid-term Exam
- 40 points Final Exam

Laptop/Recording Policy:
Students are permitted to bring and use a laptop computer in class, for taking notes and viewing class readings. However, please do not engage in laptop-related activities that may distract other students. Students are not permitted to record, videotape, or photograph any classroom lecture or activity, absent prior express consent and authorization by the Instructor.

Course Materials:
Course reading materials may be found on Sakai under “Resources.” The instructor reserves the right to supplement, substitute, and/or modify the listed reading selections.
