Island Photography has the pleasure of providing your commencement photo coverage. Every graduate will be photographed at least twice during the ceremony. Below, we have described the various opportunities offered to you the day of commencement:

- **TRADITIONAL HANDSHAKE PHOTOS:** Island Photography will photograph each graduate as they cross the stage and are greeted by a school administrator. Smile and look up at the presenter but PLEASE do not stop to pose.

- **PORTRAIT TYPE PHOTOS:** This second photo will be taken of the graduate posing with their diploma as graduates exit the stage. Graduates are asked to smile and look at the camera!

- **CANDID PHOTOS:** Photographers will also take candid photos of some graduates with family & friends after the ceremony. These photos will be available online along with your other proofs.

- **PHOTO PACKAGES & DIGITAL PRODUCTS:** We offer a wide range of photo packages, digital products and services. You may even build your own photo package! Pricing starts at only $7.95 and there is absolutely no obligation to purchase.

**WHAT HAPPENS NEXT?:** You will receive a link to view your proofs by email within 48 hours after the ceremony. As a courtesy, we will also mail hard copy proofs home within five days after the ceremony. There is absolutely no obligation to purchase!

**Please Note!**
