Instructions for developing a 500 word 1st comment for each forum are available as a link on the week page associated with the week that the forum will be held. Participate in forums by clicking on a link that’s located under the week page (example week 4) associated with the week that the forum is being held.

**Deadlines and Late Penalty**
Journal assignments should be submitted and students’ final forum comments completed by 11:59 pm on the date the assignment is due, unless you have made prior arrangements with the instructor. If you have a specific problem with making a deadline, please contact the professor in advance.

There is a penalty of up to 10 percent per day for late Journal entry submissions.

Forums cannot be made up (unless there is prior instructor permission), since they require interaction with peers. If a student misses a 1st comment deadline (without prior instructor approval), 11:59 pm Thursdays, he/she will receive a failing grade for the assignment.

The final exam is expected on the date due, unless previous arrangements have been made with the professor.

Wikipedia is NOT an acceptable source for academic work in this course.

**Communication**
All correspondence associated with the course is housed within the course. Students are to send correspondence to the professor by using the messaging tool in the course. The professor will also send correspondence to the student using the messaging tool.

On Mondays, which serves as the first day of each course week, the instructor will send the class a weekly message. Students should always check their announcements on Mondays. Students may also receive individual messages from the instructor regarding a variety of topics throughout the semester. There have been occurrences of student papers not being posted into forums and journals. ALWAYS double-check to be sure that the work you have submitted is actually posted. Always save a copy of your work in your computer.
When communicating with classmates, proper etiquette is required at all times. All interaction should be courteous. A response that bullies, uses name calling, or directly attacks or threatens another student is grounds for failing the assignment.

**Academic Integrity: Plagiarism**
In this course, plagiarism is grounds for failing the assignment. Use quotation marks and citations appropriately.

A guide to avoiding plagiarism is provided under Course Home in the course shell. It is a student’s responsibility to review the document and follow guidelines.

What is Employment?
Changing Employment Relationships in a Gig Economy

**Reading:**
- International Labour Organization, “Employment Relationship,”
- White, G., “In the Sharing Economy, No One’s an Employee: Why Don’t Uber and Lyft Consider Drivers Employees?” *The Atlantic*, June 8, 2015,
Forum 1

An increasing number of jobs are part of the gig economy. Fewer workers have a full-time job as an employee, especially one that involves significant benefits. Some say these trends are increasing at an increasing rate. Define gig economy and write at least 500 words about what is happening, and the tensions related to being an employee vs. an independent contractor. Look at the issue of “misclassification” and how that affects workers and the labor market more broadly. (This has been a big issue in construction for years. It is getting a lot of press now related to Uber and Lyft drivers.) Discuss the pros and cons of independent contracting and what you see as the trends for a long-run vision of the labor market. Use at least 2 additional sources. Respond to the posts of at least 2 classmates. Primary post due Thursday. Secondary posts (to classmates) due Sunday. (50 points)

---

**Forum 2 – Public Policy Influencing the Supply and Demand for Labor**

In 500 words, give three examples of how the Federal Reserve Board (Fed) and/or Congressional legislation can influence the quantity and price of labor. Then comment on what involvement of the Fed makes sense to you or not, and explain why. Use at least 2 sources beyond the assigned reading. Respond to the posts of at least 2 classmates. Primary post due Thursday. Secondary posts due Sunday. (50 points)
